Please make a copy of the entire application and agreement for your records. Please note that space is limited. Completion of the application does not guarantee an exhibitors acceptance. Any Exhibitor not accepted will be refunded all fees paid. Applications received after noon August 4, 2025, will be accepted on a case-by-case basis.

Credentials Form - Please fill out the *Credentials Form* included with your Aircraft Exhibitor Information to order the provided/additional credentials and parking permit(s) you will need. The Exhibitor agrees to indemnify and hold harmless the Association, its officers, agents and employees from any and all claims, causes of action and suits occurring or resulting from any damage, injury, loss to any person or persons including, but not limited to, persons to whom the Aircraft Exhibitor may be liable under any Worker's Compensation Law and the Aircraft Exhibitor himself from any loss of property, goods, wares or merchandise, caused by, arising out of, or in any way connected with the exercise by the Exhibitor of the privileges granted herein.

The Association will not be responsible for the safety of the Aircraft Exhibitors property against theft, fire, accident, or any other destructive cause, or for any injury that may arise to the public in the leased area, or to the Exhibitor or their employees while on the Air Race grounds. Event Schedule -The event schedule will be Wednesday, September 10, 2025, through Sunday, September 14, 2025, from 8:00 am to the end of the last race (approximately 5:00 pm) each day. Exhibitors must have at least one person in attendance at their booth at all times during the event schedule. (Please note that the gates open at 7:00 am and if you are re-supplying your booth, you must move your supply vehicle before that time.)

Aircraft Exhibitor fees include 110 Volt, 20-amp electrical service (if requested on application form), airport permit fees, tent and furniture as indicated in the Application. The tent has 3 sides and a top. *We highly recommend you bring your own tarp and clamps to secure your booth during non-operating hours.* All fees are due at the time of application.

Space requests for trailers should include pop-outs, awnings, free-standing display items and tow vehicle (even if tow vehicle will not be connected to the trailer during the event we need to know the size to allow for maneuver ability into the assigned space).

Tents, Furniture, Freight Handling, Labor, Carpet- A 10x10 tent (3 sides with top) and 1 table with 2 chairs are provided as per the specifications listed under *Aircraft Exhibitor Application*. Larger tent configurations are available upon request. Please indicate your space or tent size requirements on the *Aircraft Exhibitor Application*.

The Association is not responsible, nor will it arrange to provide, movement of freight and any kind of labor for the installation, removal or servicing of any Aircraft Exhibitor space.

Aircraft Exhibitors utilizing their own canopies or shade covers must realize this is an outdoor event held in an area of sudden gusting winds. This adapter will be provided for use at the event - **DO NOT** take them home with you. All Exhibitors who plan to use electricity must indicate so on the Exhibitor Application. It is imperative that the electrical portion of your application be complete and accurate for proper placement of concession on site. Electricity may not be available during event setup but will be in place by opening day. Please plan your setup accordingly.

A disruption of electrical, telephone data lines, water, etc., due to any cause, shall not void this Exhibitor Agreement and the Association shall have no liability for such disruptions.

Wireless Internet - If you plan to use a wireless phone card to access the internet, be aware that during the event, high cell phone usage can cause delays in processing data.

Booth & Space Clean Up - At the end of each day during the Air Races, each Aircraft Exhibitor is responsible for the clean-up of their exhibit area. All equipment, whether tents, trailers or push carts, must be attractive, clean and in good repair. Exhibitors must care for and keep in good order their occupied space. It is very important to be aware and take every precaution possible to prevent any possible injury to visitors, guests or employees.

Exhibitors may not park their supply vehicle in any space other than designated Exhibitor parking lot. Fire lanes shall be maintained and unobstructed at all times. Violator's vehicles will be ticketed by the appropriate authority and towed away at the owner's expense. Use of loud noise makers is strictly prohibited (for example bull horns, megaphones, loud music, etc.).

All Aircraft Exhibitors are expected to conduct themselves in a professional manner or will be asked to leave immediately, according to the rules of this agreement. Any unruly conduct, refusal to follow rules or use of foul language to Air Races patrons or personnel will be considered grounds for immediate expulsion from the Air Races. Exhibitors in violation of these rules will not be invited to return to subsequent Air Races.
